Intelligently designed to take full advantage of space, this contemporary north-facing, two-bedroom, double-storey townhouse offers a peaceful position within an otherwise vibrant pocket, just walking distance to the likes of Sydney Road and CBD transport. Boasting its own street frontage complemented by a flowing open plan, the interior incorporates a spacious family/dining domain, perfect for at-home relaxing. The kitchen is equipped with quality s/s cooking appliances, ample cabinetry and tiled splashback, while the convenient laundry facilities adjoin a separate powder room (second toilet). Outdoor entertaining is easy with the paved L-shape courtyard featuring pedestrian ROW. Back inside, upstairs hosts two double-size bedrooms comprising BIRs and central bathroom with separate WC. Add to this, heating/cooling throughout, deep under-stair storage plus ample street parking. Approximately only 5km to our exuberant city centre, it's just seconds to popular eateries, boutique shops, supermarkets and leafy Randazzo Park.
