A public little road just metres from the beach leads to a hamlet of homes surrounded by national park and crown land. This location showcases Durras at its very best; private, surrounded by trees and the sound of the ocean. This architecturally designed 4 bedroom 3 bathroom home sits perfectly within the landscape. A timeless design of high set ceilings, big windows, and expansive outdoor entertaining. A versatile floor plan that will cater for the extended family, with living areas on both levels. The home has been lovingly maintained and renovated. Updated bathroom and ensuite are exceptional in fit out and design. Fully fenced back yard with bike shed and double garage with internal access. Owners have bought elsewhere and priced for a result. Ask us for an in-depth fact sheet. Book an inspection.
