A central location and stress free lifestyle are key, in today's busy world. A modern apartment designed for just that purpose, can't be let to pass. Upon entry to your Hidden Retreat, you'll be greeted by open plan living, designed to maximize space and versatility. Manufactured floor-board flooring throughout the common walkways, an internal laundry and floor to ceiling built-in storage cupboards are just the start. An open plan kitchen allows you to whip up a feast while entertaining, all the while maintaining contact with your friends or family. Flowing on from the combined Lounge/ Dining area, you'll find an entry point to the wrap-a-round balcony, with adjustable sliding louvers for added privacy. The bedroom features a built-in mirrored wardrobe, is carpeted throughout, and has direct access to the balcony. A sleek, modern bathroom is complimented by modern fixtures and fittings as well as contrasting floor to ceiling tiles. All in a security building, within minutes of both rail and road transport. A short stroll through parkland to shopping centers, cafes, schools and various medical practices. Also, easy access to both Macquarie and NorthWest Business Parks, Macquarie University and Macquarie Shopping Centre as well as express train links to Sydney's CBD."Inspection Highly Recommended"
