This one- bedroom cottage is very well presented and will make a great little home for those looking to be a short drive from all the Southside has to offer. This cottage comes unfurnished, however a fridge could be supplied if required. There is modern kitchenette and a modern bathroom making it a low maintenance home. With restaurants, sporting fields and access to the bikeway network all close by this location is unmatched. Located at the back of a home this property is private and is perfect for students.
