\$600,000-\$650,000

Situated in the desirable neighborhood of Kialla, 3 Gordon Drive presents an exciting opportunity. This double story residence features four bedrooms, each equipped with split systems for personalized climate control, ensuring year-round comfort for the entire family. Upon entering, the inviting wood fire in the living/dining area creates a cozy ambiance, perfect for gatherings or relaxed family meals. With three living areas, complemented by a versatile rumpus room equipped with a split system, provide ample space for entertainment and relaxation, catering to every family member's needs. The two bathrooms offer convenience and functionality, catering to the needs of busy households. A highlight of the home is the inviting inground pool, providing a refreshing retreat on warm days, while the outdoor entertaining area offers a picturesque backdrop for gatherings with loved ones. Inside, the open-plan kitchen space is a culinary delight, seamlessly blending modern design with functionality. This home offers versatility and space for every lifestyle. Enhanced by 5.4 kW solar panels and situated on a spacious 791 sqm block, the home is a delightful blend of contemporary living with ample space for relaxation and enjoyment.
