Here's a great opportunity to build your dream home. This large 3035 sqm block is on the edge of town with a rural outlook. It's close to town with no time restrictions on building and no covenants. For first home buyers, it has never been a better time to reap the benefits of the government grants in building a new home. There's already a large 12 x 9 colourbond shed in place and connected to services. Services include power, water, mail and garbage collection.
