A great opportunity presents itself to purchase a very neat family home that's close to town yet tucked away. The house has lovely open plan living that leads into the kitchen, 3 good sized bedrooms plus another office/bedroom, beautiful polished floorboards and new carpet throughout. Outside has a fantastic entertainment deck as well as a large, easy care yard. This property will suit most buyers. The garden is fully fenced and has garden sheds as well as a sizeable workshop. This property will not last long so book an appointment to view ASAP. Contact Mitch Braithwaite on 0427 702 311 for more information.
