Those with a need for expansive living will love this towering home on a 1,288m² rear access drive through block in the desirable family friendly suburb of Cameron Park. Step through the stylish double glass front doors to a dedicated entry hall (with powder room) or enter via the spacious double garage with full internal access to find the soaring 5 metre draped ceilings of the main living space. This open-plan space is comfortable in all seasons with a split system air conditioner for the summer and a stylish wood fireplace for when the weather gets chilly. Long windows at ceiling height mean the room stays bathed in sunlight morning and afternoon. Bordering the open living room is a spacious kitchen, intelligently designed for flow and to maximise bench space. There is a large island waterfall bench, a double stainless-steel sink and an opposite bench boasting a 5-burner gas cook top and oven. Just when you thought there couldn't be more, the butler's pantry has even more storage, stainless steel dishwasher, oven and an additional sink. Relax on the enormous rear deck. Backed by large glass doors to the open-plan space you will find indoor/outdoor living is your new way of life. Entertaining is a breeze with servery windows linked to the kitchen, and you'll relish looking out on the gorgeous leafy vista whilst sitting down to enjoy a quiet drink or dinner family and friends. Families will love the 5 generously sized bedrooms, 4 of which feature built-in wardrobes and ceiling fans, while the main bedroom features a huge walk-in wardrobe leading to a full-sized ensuite bathroom with double shower, sink and full standing bath, a perfect retreat for mum and dad. The ground floor contains 3 of the bedrooms, a separate living room leading to another deck and a further bathroom. All this extra space lends itself to being the perfect teenage retreat or multi-generational home. To top it all off, a large under-house space has been left as a blank canvas for the new owner to make their own. Don't wait to see why this home is the height of excellence in Cameron Park.
