Ever had the feeling you just need to get away from it all? Do you long to be immersed in the sounds and scents of the natural world? Well, what if such a place could be your forever home? We are thrilled to present this sizeable parcel of cleared land that will give you a sense of being lost on the edge of a forest. Set at the quiet end of a secluded cul-de-sac and surrounded by bushland, the first thing you will notice are gentle chimes of bell birds nestling in their homes amongst the tree tops. A peaceful reminder of the tranquility in the beautiful native forest around you, with all the convenience of and proximity to the lovely seaside township of Merimbula and its stunning beaches, which are a mere 5 minutes away. Imagine the freedom for kids to roam in the safety of a quiet, closed street, where they can ride bikes or explore the neighbouring bushland and still be kept under a close watchful eye from the elevated block above. Space enough for a large family home and surrounding gardens, maybe even a patch for home grown veggies or some chooks? There are 833 square metres of possibility and it is yours for the taking.
