This character-filled cottage has been renovated without losing any of its unique charm. The home is one of Bermagui's original farmhouses featuring timber poles and timber lined ceilings throughout the property. Located on a block size of 882m², the double storey home is set back from the street overlooking the natural reserve, it includes 3 bedrooms & 2 bathrooms (main with ensuite). An attic that can be utilized as a 4th room, study or hobby room. A renovated modern kitchen & dining area open to a large living room. The gardens are well manicured and create a charming space to enjoy relaxed mornings on the sunbathed back deck with friends and refreshments. A separate double garage /shed has an additional loft area for guest rooms or extra storage. Only a short 2-minute drive to Bermagui's beautiful beaches, restaurants, cafes and school. This cottage home is looking for its next family, holidaymaker, or investor.
