Walking through this home will undoubtedly impress. The journey starts with a large main bedroom with double vanity ensuite and walk in robe then the study or hobby room at the front of the house this produces a quiet place to study, work or unwind. The lounge room is a large entertainment room and the kitchen with the living area has a walk in pantry that gives you even more cupboard space. Finally there is the bedroom wing, where three large bedrooms sprawl, joined by a generous bathroom, separate toilet and laundry. Extra Features also include: Ducted heating and cooling, alarm system, double remote garage and x5 burner stainless steel stove top and fibre optic internet. This home will impress those looking for a design with character.
