Showcasing a visionary rebuild by award winning Davis Architects, this impressive family home is intuitively crafted for modern living and entertaining with a well-advantaged address. The home flows over two levels featuring bespoke finishes of superb quality and with carefully considered use of space and natural light to maximise sustainability, ease of living and functionality. A sanctuary of style and sophistication, it presents a desirable opportunity in one of Willoughby's finest streets close to the village centre, schools, parks and transport.- Wide windows capturing northern light, high ceilings, ducted r/c air con and gas fireplace- Open living and dining unfolds to a private deck, bbq and garden area at the rear for entertaining- Island kitchen featuring stone benchtops and fully integrated European appliances- Two bedrooms on each level including ground floor ensuite, upstairs master with walk-in robe and luxury full bathroom- Underfloor heating to all bathrooms, American oak floorboards, off-street parking- 5 mins walk to Willoughby Road village; buses on next corner with just two stops into the city
