SEPARATE TORRENS TITLE ALLOTMENT. Normanville has always been known as a quiet and relaxing coastal town. Normanville has the most beautiful beach & swimming waters with an inspirational back drop of rolling hills. The moment you drive through the cute centre of town you get that feeling of relaxation and calmness. Recently there are many upgrades happening on the foreshore area. I have been impressed to see that the council have managed to keep the original character and charm of Normanville. Normanville truly is a secret spot you will love for generations if you had a home here. Talk to your builder. Make your dream a reality.
