\$715,000

Nestled in the heart of Hastings, just a short distance from the ever-popular Hastings Foreshore, this beautifully presented two-story residence offers a perfect blend of modern living and classic charm. Boasting three spacious bedrooms, multiple living areas, and a central & convenient location, this property is a true gem. The thoughtfully designed floorplan seamlessly blends contemporary features with classic elements. The exterior showcasing a private and fully fenced rear yard, along with a generous semi/private front balcony on the first floor. Other Property Features:

- Spacious kitchen, with open plan living and dining to the downstairs of the property
- Generous master bedroom, with a walk-in robe and ensuite
- Two further bedrooms upstairs, both with built in robes
- Separate laundry, with side yard access
- Double car garage, with both internal and rear yard access
- Living zones both upstairs and downstairs
- Upstairs bathroom featuring bathtub, and separate powder room

Don't miss this opportunity to make this charming property your next home! Whether you are growing your family, looking to downsize or looking to break into the property market, this property has it all! Contact Jason Dowler today to arrange your inspection, or for any further enquiries you may have.
