Auction this Sat 4-May 11am

Lovingly landscaped with beautiful succulents including the lucky jade plant along its front entrance, this light-filled family home offers relaxed living inside and out in from a quiet court close to Livingstone Primary and Vermont South Shopping Centre. Elegant updates in Calacatta marble finish bring contemporary glamour to the kitchen, bathrooms and laundry, with hardwood floors underfoot in the living areas and carpet to warm the bedrooms. The single level layout is surprisingly spacious with 2 separate living areas and two renovated bathrooms appointed with luxury rainfall shower stations, shaving cabinet mirrors and that classic Italian elegance of Calacatta inspired tiling. A grand central kitchen offers enough space for an additional dining table and comes equipped with new Fotile appliances including a wok burner gas cooktop, powerful rangehood, and steamer for healthy cooking. It's a beautiful space to cook in with views across the pool and the gorgeous gardens that frame the extensive paved outdoor entertaining space. With a pergola alongside the paved in-ground pool, and no back lawn, this is absolute freedom for the family, with 8 solar panels to reduce your energy costs. Superbly located in a quiet court close to Livingstone Primary, Vermont South Shopping Centre, Emmaus College, Forest Hill Chase and Hoyts Cinema, with bus connections to Box Hill, The Glen and Monash University, and the tram to Deakin University and the city - it's easy to see why this district is so revered.
