WONGA'S BEST

This is very simple. This owner wants the next land sale in Douglas Shire, hence the unquestionable price value on offer.

Perhaps by coincidence it also happens to be in one of the best beach areas in Far North Queensland, where the natural beauty of 8km beach frontage extends all the way to the State Marine Park of Daintree River with views out to Low Isles and Snapper Island. Not to mention the family orientation that includes one of the Shire's most highly rated Primary Schools, or bus services to Mossman High School. Mossman itself, being the region's shopping and services hub, is a mere 14 minute drive south or head north to the all weather boat ramp for the Barra and Mud Crabs of Daintree River.
