With not a cent to spend, this impressive four bedroom, two storey town house has been fully renovated from absolute top to bottom. Featuring attractive, low maintenance floors throughout, near new paint, near new kitchen and bathroom. Renovations have extended to include the downstairs laundry, second toilet, downlights throughout and modern split system air conditioning. It's rare to get a property renovated to this level in the Hedland market. Ideal for those wanting a long term, low maintenance home or investment. Upstairs features three air conditioned bedrooms, along with a super modern bathroom, which contains a large shower, toilet and vanity. Downstairs is a good sized, air conditioned fourth bedroom, which could easily double as a study. Downstairs, off the lounge room, is a fifth enclosed, air conditioned room, handy for storage, tools, toys or even a spare bedroom. The kitchen is near new, featuring modern stainless oven, over head cupboards and stand alone pantry. Vehicle access to the yard is available from both the front and back, with enclosed parking available either side, access from both John Way and Edkins Street. Ideal for cars, bikes, boats, trailers, caravan storage etc. The large yard space also provides a myriad of future options with room to create a garden oasis, install a pool or a shed. For investors, expect rental returns of \$800 - \$900 per week, in the current rental market. Feature summary: * Magnificently renovated townhouse * Four bedrooms, 3 upstairs * Fully air conditioned * Near new kitchen, stainless oven * Near new main bathroom * Modern downstairs toilet * Enclosed front and rear yard access * Two street frontage * Near new paint, downlights throughout * Investors expect \$800 - \$900 per week * Stunningly renovated, stand out property! This property provides a super low maintenance investment option, and is an exceptional example of a quality, top to bottom renovation, in the current market.
