Offers over \$850,000

Built in 1977 on a 730sqm block, there is room to spread out in this 4 bedroom large family home with separate living areas. This solid brick and tile home has an Italian influence, typical of the era. This home boasts a separate lounge and formal dining area, leading into a galley kitchen that then overlooks the family room. All the bedrooms are light and roomy. There is a large undercroft garage with plenty of storage room. Behind the garage is the large games room, suitable for a home office (with council approval). Other features include: • Large Gas Hotplate • Electric Oven • Dishwasher • Double sink • Split system Air-conditioner • Pantry • Double Laundry Trough • Storage cupboard in Laundry • Large vanity Cupboard Situated between Phoenix and Stargate Shopping Centres and within close proximity to major arterial roads and other amenities. Call me today to make an appointment to view or come along to the advertised Home Open.
