\$885,000

With an attractive outlook over wetlands, this five year old modern home represents outstanding value. With the rising costs of building, this striking property designed around lifestyle and entertaining is all ready to go. One lucky buyer has the opportunity to immediately enjoy features such as your decked alfresco entertaining area, spacious manicured lawns and gardens and the highlight being a sparkling in ground swimming pool, just in time for summer. Two spacious living zones accompany your four bedrooms and two bathrooms plus powder room, whilst a double remote garage with direct home entry and side access cater for your vehicle needs. Quality upgrades in the home include 2.7m ceilings with square set cornice, ducted reverse cycle air conditioning, and a superb galley style kitchen with adjoining butlers pantry. An Estate that offers everything at your doorstep, Ramleigh Springs features state of the art sporting facilities (including swimming, soccer and cricket), Primary School, public transport and the Ramleigh Springs Village (Coming Soon).
