\$785,000

Desert Springs has always been a popular location to live in Alice Springs and this spectacular split-level home sits at the back of Lakes Court and looks out over the 13th hole of the Golf Course. 3 Lakes Court is a lovely, architecturally built family home, while also offering privacy as there are no neighbours and bushland on the west side of the house. Once you walk into the spacious home there are lots of features that show off the builders craftsmanship, exposed timber beams, high ceilings, carefully located windows allowing an abundance of natural light and more. The living, dining and kitchen flow together allowing for the family to enjoy this open plan space together. The dining offers cupboard space for extra storage, direct access to the backyard and the living has a fireplace, perfect for the chilly weather coming up. The kitchen features quality gas cooking, dishwasher, Miele oven and microwave, ample cupboard space and a breakfast bar. Down the hallway are two well sized bedrooms carpeted and offer built in robes. The bathroom is located between the two bedrooms for convenience. The master wing offers a second living area with another fireplace, split systems and is carpeted throughout. The good-sized study offers wooden custom built desk and cabinets, perfect to store all your books and documents. Next to the study is the spacious master bedroom offering a walk-in robe and ensuite. Other attractive features of this home include, a double carport, a spa, water softener, solar hot water, spacious internal laundry with direct access to the backyard and a storage room which is now used as a wine cellar with evaporative cooling. Council Rate: \$3,649.88 p.a.
