\$675,000 - \$700,000

Set just off Sydney Road, just a few short steps from Batman Station, the property sits in a well-established commercial/industrial area, near high-profile outlets like Bunnings, Officeworks, Petbarn and Autobarn, and just down the street from Coburg North Village. Coburg Lake Park, Richards Reserve and Harmony Park are all right nearby. And proximity to Sydney Road offers easy access onto the Ring Road and freeways. Presenting an excellent opportunity for commercial, industrial, or residential development in a great Coburg North location, this 580sqm (approx.) property features three bedrooms, two kitchens, meals, and two bathrooms and an impressive amount of space to work with an established rear workshop. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
