Behind the brick fence is a home that was certainly ahead of its time with its sheer design and quality local build. The gardens are picturesque and spacious all set upon a beautiful allotment of 819m<sup>2</sup>. The double brick residence will delight you with its attention to detail, unique colour scheme, sheer size and flowing floor plan. Featuring 4 bedrooms, the main bedroom has huge walk in robe, full spa bath, double shower and double vanity plus toilet. The other 3 bedrooms have built in robes and 2 of them have study areas at the rear. The kitchen boasts stone bench tops, built in stools, dishwasher and walk in pantry. The dining area comes complete with built in stone top dining table and full length built in refrigerated bar. There are 2 enormous living zones with loads of storage and featuring brand new flooring. The laundry is great as too is the main second bathroom with spa bath and separate toilet. With 3 reverse cycle split systems and ducted vacuum system for modern convenience. Park the cars in the double electric garage that also has a large storage area off to one side. This product is certainly superior to any brand new home you will find in the new estates. Value for money. \$595,000-\$630,000
