Perched on the high side of the street, overlooking bushland reserve in the beautiful beachside township of Bonny Hills, sits this custom-designed, contemporary five-bedroom home with everything you need to live comfortably and more. Spacious is one of the best ways to describe this grand family home set at 648 sqm complete with a sparkling swimming pool surrounded by landscaped mature gardens. Featuring timeless render and cladding to the façade, the extra wide entry leads you past the fifth bedroom with ensuite to the main stairway and upstairs where this generously proportioned home shines. Level one is divided into two distinct zones. The bedroom zone includes the stunning master retreat with a stylish walk-in robe and ensuite, three more queen-sized bedrooms with robes, plus a separate bathroom and laundry. Then there's the impressive living zone complete with a gourmet kitchen, lounge room, dining room and media room with in-built cabinetry. The smart galley kitchen features Caesarstone benchtops, black tapware and a 900mm freestanding oven with a gas cook top, with ample storage aided by a large walk-in pantry. Perfect for entertaining, this zone flows seamlessly onto the vast undercover tiled alfresco and your private oasis - a lush backyard with sandstone feature walls and a pool area - just perfect for cooling down on those warm summer days and enjoying the daily Seabreeze. This property does accommodate every member of the family and is stacked full of attractive extras, including reverse cycle ducted air conditioning and LED lighting throughout, an extra-long double garage with a separate workshop and storage, a 5,000Litre water tank concealed beneath the deck, a bonus attic and under house storage, and solar system. Located a 3 min walk from picturesque Rainbow Beach, shops and medical services at Bonny Hills and 20 minutes from bustling Port Macquarie, this property allows you the chance to move into a modern and completed home without changing a thing, so you can start living your dream life by the sea without delay.
