The home has been painted in a calming colour palette and the three good sized bedrooms all have brand new floor to ceiling LA Wardrobes added. The hallway and lovely big lounge room, with a split system a/c, have polished timber floors giving adding to the warm, inviting feel of the home. The bathroom has a shower, bath and toilet plus there is a second toilet in the laundry. Ducted gas heating keeps the home warm and cosy in winter and the recently added 5kw solar system will help keep the power bills at bay. The backyard is a private oasis with an assortment of trees including fig, lemon, olive and magnolias plus there is a built in BBQ and three sheds.
