\$1,150,000 - \$1,200,000

Entirely welcoming and ready to love on a sprawling 1,258m² (approx) allotment, this single-level, four-bedroom contemporary home is the ideal sanctuary for those yearning for a harmonious blend of space, serenity, and lifestyle convenience just moments from town. Light-filled interiors benefit from a northern aspect, illuminating the open-plan living, dining, and kitchen spaces where entertaining takes centre stage, enriched by sleek stone benchtops, quality 900mm stainless steel appliances and a large walk-in pantry. Sliding and bi-fold doors offer immediate and seamless access to outdoor entertainment areas, including an alfresco zone with a built-in BBQ, perfect for all-weather enjoyment. Immaculate lawns invite play for the kids, whilst garden sheds are ideal for storage, and there's room for a chook run and space for vegetable gardens. Four generous bedrooms provide all the comforts and space growing families need, with the main bedroom relishing the ease of a dual-vanity ensuite, walk-in robe and adjacent formal living room. The three additional bedrooms, all with built-in robes, are set to the rear of the home, beside a study area/third living room and a modern central bathroom with a separate WC. Positioned mere minutes from Gisborne's vibrant centre, with convenience to schools, cafes, shopping, and freeway access, this sleek and turnkey home provides the essentials for easy living, complete with double glazed windows, ducted heating, split system air conditioning, solar power system, a spacious laundry, double remote garage, and side gated access for a caravan or trailer.
