This impressive low set home in Mackenzie is simply stunning. Situated on a 998m² corner block in a quiet street, the private grounds have been impressively utilised to create multiple indoor-outdoor entertainment areas, two car garage and single carport, and a sparkling swimming pool and attractive landscaped gardens. This stylish residence offers an easy flowing floorplan, generously proportioned living areas, ducted air conditioning, and features striking wooden parquet flooring throughout. At the heart of the home is a spacious family room measuring 7.5 x 8.7 meters, complete with a stylish bar set up. This inviting area extends to a generous 8.6 x 3.7m undercover patio which offers a stunning view of the beautifully landscaped gardens and the pool. It's the ideal space for entertaining and creating picture perfect moments. To the left and rear of the home, you'll find the master bedroom, which features a walk-in robe and ensuite. Additionally, there are three other well-sized bedrooms, each equipped with built in wardrobes and ceiling fans. All bedrooms are serviced by a ducted air conditioning system, ensuring comfort throughout the home. Work-from-home professionals are perfectly catered for with a separate office near the front entry, which can also serve as a fifth bedroom if preferred. The right-hand side of the home has been exquisitely designed for the home chef, featuring a casual lounge area, a separate meals area, gorgeous kitchen, and formal dining room. The kitchen boasts quality appliances, ample bench and cupboard space, gas cooktop, and overlooks the outdoor entertainment area. This home includes a well-equipped laundry and ample internal storage. Externally, it boasts two sheds (2.0 x 4.0, and 2.0 x 2.0) offering plenty of space for a growing family. Additionally, you'll benefit from solar panels and a solar hot water system. Summary of features:
