* Make your first step to better living. A four-bedroom home with feeling. Not just a house. * Originally constructed by McMaster Designer Homes. Now for sale as the owner seeks to downsize. * The master bedroom has a WIR and its' own ensuite with a separate WC. Bedrooms two, three and four all have BIR's. * The floorplan showcases two living rooms and a family room adjacent to the kitchen-meals, plus a separate living or theatre room. * A home with Brivis overhead ducted heating, overhead ducted cooling, plus a split system in living room. * The beaut kitchen features stone benchtops, a 900mm SST upright oven, a dishwasher and a roomy walk-in pantry. * A private and protected alfresco adjoins the family room. A second outdoor living area is a backyard delight. * You will love the garden set-up. Extensive sprinkler system - some off mains - some off a 2500 litre tank with pump.* The double garage has electric door and direct internal access. * Double gates off Haricot Lane could provide access into the rear yard for a caravan, trailer or the like.
