Beyond the high front fence (18m frontage) and private garden, you'll find an attractive period home providing a lifestyle of immediate comfort and convenience along with exciting options for those looking to renovate and extend or start anew (STCA). Well-presented throughout, the home's current floorplan highlights three bedrooms (all with built-in robes) along with a separate study and neat bathroom. Add to this a versatile front lounge and adjoining dining room which leads through to the central kitchen/meals area. Other features of the home include gas heating, air conditioner and full-size internal laundry, plus a uniquely wide backyard garden with big entertaining deck, handy storage shed and gated side driveway. Raeburn Reserve at the end of the street and walking distance to local cafes, shops and a choice of bus routes, it's also close to popular schools (zoned to Strathmore SC) and kinder/childcare facilities, as well as easy access to Coburg North Village and Citylink.
