Timeless by design in a tightly held family pocket, this spacious 3-bedroom home offers magnificent space, substance, and practicality on a generous 680 sq. metre (approx.) allotment, with options to further renovate or subdivide (STCA). Its private, easy-care frontage beyond full-height fencing and remote gates precedes an equally distinctive interior with separate living spaces to either side of its spacious laminate kitchen, where quality cooking appliances and abundant bench and storage space make life a dream for the home chef. A glass sliding door moves out to a sealed and covered terrace, with a large yard perfect for relaxation and play beside a 12.0 x 6.0m (approx.) powered garage/workshop. The main bedroom is well-zoned at the front of the home and fitted with the essential walk-in robe and ensuite, with two additional bedrooms placed to the rear. Additional features include split-system air conditioning, ducted heating, a refurbished roof, ample parking space, and a quiet neighbourhood pocket, moments from Skye Primary School, Carrum Downs Plaza, Flinders College and Pines Flora and Fauna Reserve.
