Three generous bedrooms, all with robes, the master with ensuite and walk-in robe, separate formal lounge room with private courtyard, rear open plan living and dining, a designer kitchen with large pantry, dishwasher, lots of storage spaces, gas cooktop and underbench oven, family-sized bathroom with separate toilet, and a well-equipped laundry. For the family, grant solitude to child number 3 in the fourth bedroom, or for the professional, flip it into office space, offering the central, second living zone as toy territory or a studio retreat with an across-the-way courtyard escape. For year-round comfort, the home is fitted with ducted reverse-cycle heating and cooling. The low maintenance back yard features tiled alfresco area offering plenty of room to catch up with family and friends and low maintenance garden which is well suited for the busy modern day lifestyle. All within close proximity to major shopping centres, good local schools, public transport, childcare centres, and the Queen Elizabeth Hospital.
