Solid brick and tile Buderim family homes continue to be in great demand all year round, and here is the next one on your list to inspect! Nestled in a welcoming neighbourhood close to shops, schools, and the coast's best beaches, this property provides convenience and a family friendly atmosphere. Perfect for individuals leading busy lives, its spacious layout accommodates large social gatherings and family activities. Featuring four bedrooms, two bathrooms, and a double lockup garage on an elevated and fenced block, this home provides practicality and room for comfortable living. The home's distinct living spaces, including formal and informal areas, offer versatility to meet diverse lifestyle needs. Equipped with ceiling fans throughout and air conditioning in the main bedroom and main living area, it ensures year-round comfort. An expansive covered outdoor area serves as a focal point, ideal for hosting events or simply relaxing and enjoying a drink overlooking the lush green surrounds. The large 700sqm block is spacious, beautifully grassed and ideal as a safe play space for the youngest members of the family. This property represents an attractive opportunity for families seeking a spacious and functional residence or seasoned investors looking for a property with great potential. Properties of this calibre are rarely available in Buderim, so do not delay, call Bevan or Brenden for your opportunity now!
