The first time offered in over 30 years and positioned on a 1,050sqm parcel of land is this well maintained block of four, two bedroom units. Make the most of Darwin's thriving rental or Air BnB market. Exclusively private and fully furnished, each apartment has been updated over time and all present very well. The two upstairs apartments offer rear balconies which present an ideal spot to take in the lush green view of the suburban tree tops whilst catching the cooling breeze that blows through. Both upstairs apartments also incorporate the internal laundry beneath the kitchen bench space. The two downstairs apartments present the added benefits of their own private rear yards, front timber decking and external laundries. All bedrooms easily accommodate queen beds. The outside common areas are made up of a pleasing and colourful lawn and garden area which leads into the fenced in ground spa area. An on site container is home for your maintenance contractors and gardeners tools. This is a complex that has been privately run up until recently and has been always maintained to a high standard.
