Only occasionally do special retreats come on the market in such a handy location as this. Here at 3 Rosewood Court, we not only offer a spacious four bedroom home but also a large, open plan living area with raked ceilings, large formal lounge, amazing covered alfresco entertaining area adjacent to the inground pool and a double sized colorbond shed for cars or workspace. Priced keenly with the market in mind, we highly recommend inspections as this property offers excellent value for money, at just \$1,100,000. Call Mark on 0416 142 663.
