An address defined by beauty, both natural and built, this stunning modern home makes every day an occasion to remember. Views over Jawbone Reserve to Bay Trail West and the bay itself greet the generous balcony of first floor living and dining areas that feature a superb Miele kitchen complemented by stone benches, a substantial island and integrated fridge and freezer. A luxurious separate lounge and a smart study add to the appeal of a first floor that's framed above by a fabulous top floor main bedroom suite and below by two further bedrooms, a second bathroom and a large, flexible family room. Paved, private and incorporating a sensational pool, the courtyard retreat's outdoor refinement is a delight that enhances this beautifully appointed, hydronically heated home. A secure double garage ensures convenience matches the irresistible character of a residence that's walking distance from Williamstown High School. Unforgettable.
