Welcome to 3 Satinash Way Flinders View. This impressive home has been thoughtfully designed for spacious family living with two exceptionally large living areas, huge bedrooms, a fantastic outdoor entertaining area, and the value doesn't stop there! Built in 2009, this low set brick and tile home offers commanding street appeal and has been freshly painted inside and out. It has security screens all round and new carpet in the bedrooms and formal lounge, leaving the new owner with nothing to do but move in. Stepping through the front door, a tiled entry leads you past the first of four very good sized bedrooms with ceiling fans, fresh carpets and built in robes complete with fit out, while the enormous master bedroom has its very own access to the rear alfresco area and features a walk in robe with shelving units, air conditioning ceiling fan, new carpets and ensuite with shower, toilet and vanity. The bedrooms are serviced by the modern main bathroom complete with full bath, shower, vanity and separate toilet. A formal air conditioned lounge located to the front of the home is one of two large living areas and has a ceiling fan and fresh carpet, with the second consisting of a tiled, air conditioned family/dining room which flows on from the spacious, well designed kitchen with plenty of bench and cupboard space, island bench, gas cooktop and space for a dishwasher. Leading out from the family room through sliding glass doors is a huge covered outdoor entertainment area and tidy yard with side access and good fencing. Car accommodation for two is catered for with a double lock up garage with internal access and there is plenty of storage through out the home with linen cupboards in the hallway opposite the large laundry. Situated close to schools, shops and transport and in a highly sought after area, this property is a must to inspect for both owner occupiers and investors. Current rental appraisal is \$590.00-\$630.00 per week.
