This beautiful home has been lovingly renovated back in 2020 to combine old world charm with modern conveniences. A new bathroom/laundry was installed along with new carpets throughout, new window coverings, new built-in wardrobes and new kitchen range hood. Set over 3 levels, the bottom level features a huge bedroom with 2 x built-ins. On the middle level is a large eat-in kitchen with new dishwasher, a comfortable living room (with reverse-cycle air-con) and the new bathroom/laundry. On the top level are two more stylish bedrooms, both with built-ins. At the rear of the property is a small shed and a fully fenced low-maintenance paved/lawn area, plus easy access to the one off-street parking space allocated, which is entered via Scott Street. The property boasts everything that is good & popular about the suburb of Glebe, history, charm, beauty, great mountain views and the convenience of being so close to all town living has to offer.
