This large 3 bedroom home is very deceiving and offers great living, a formal step down lounge with adjacent study, kitchen with family room and flowing seamlessly from here is a very generous rumpus room. The master bedroom is complete with generous built in robes and ensuite with the remaining bedrooms serviced with a central bathroom with spa. Full length windows from kitchen and rumpus afford you full view of the yard to keep an eye on the kids playing. Conveniently located close to excellent schools, parks, reserves, creche & kindergarten, bus & local milk bar & shops. Great for the investor, 1st home buyer to renovate to their hearts delight or for the downsizer looking for a central location! Proudly marketed by Barry Plant Rowville - 9753 2828
