Situated on a large 832m² block, this lovely family home in Andergrove is a must-see for those yearning for a comfortable and spacious home; for the family to grow and flourish. Nestled in a quiet cul-de-sac where everyone will get to know your name. Kids playing of an afternoon with their newfound friends will be a lovely sight to see. With great home cooked meals just around the corner at the local Andergrove Tavern, Friday nights after a big week will be a treat when you don't need to cook, they can. Stone's throw to shops and schools. With our busy lives convenience is everything. This home has location, location, location. Freshly painted inside and out, and the roof freshly re-pointed...so when you decide this is your new home, you can move straight in and enjoy. Every growing family needs two separate living areas, so there's more than enough room when the family needs quiet time. Imagine a pool table or ping pong in the back living area. Kids love memories and how good to de-stress after a crazy day with some fun...Central; the heart of the home, this kitchen is the queen of space for those who love to cook and meal plan. It nicely overlooks the dining, family room and the pool if the kids are playing. Flowing indoor and outdoor living spaces are always easy, large windows and natural light are aplenty. When designed the builder who created this space for his own family didn't cut corners. The quality and solid build has stood the test of time. They don't build them like this anymore. All bedrooms are generously sized and ready for you to add your personal touch. The backyard features a pool, ideal for those hot North Queensland summers, and ample room for children to play, pets to roam, or even chickens to roost. The backdrop of trees, makes for a nice change. Don't miss out on this opportunity - contact us now to schedule a visit!
