A brand new build blending character and comfort in the heart of the Yarra Valley, this charming house delivers that fresh feeling you've been searching for and some amazing views as a delightful bonus. Set over two levels, the interiors are bright and open with a soft, natural colour scheme flowing throughout. Floating floors, plush carpet, easy-care tiles, and crisp white cabinetry topped with sparkling stone set the scene for you to add your furnishings and decor and really make this house a home. The layout is family-friendly with zoned bedrooms and two living spaces. The open plan lounge/dining and kitchen zone is downstairs, joining the two decks and enclosed, wrap-around garden. The master bedroom is also on the ground floor with its own ensuite and walk in robe, and the other two robed bedrooms occupy the upper level sharing a bathroom and retreat. Additional features include a powder room, under stair storage, internal garage access, full laundry, water tank, and reverse cycle heating and cooling. The location is superb for enjoying the Valley lifestyle, walking distance to Yarra Glen Primary School, Racecourse & Craft Market, McKenzie Reserve Playground, and Bell Street shops.
