Boasting a spacious and well-connected central living area, a casually bright and pleasant interior design, and four comfortable bedrooms split over two levels, 3 Steam Close is a wonderful display of quality, modern family living. It is located along a quiet cul-de-sac, just moments from nearby parks, playgrounds, and childcare, as well as West Wallsend High School and the Sugar Valley Golf Club. The property's primary bedroom is located alone on the first floor for some much-deserved extra privacy for Mum and Dad, featuring a walk-in wardrobe and attached ensuite. Remaining bedrooms are located upstairs, each featuring ceiling fans and built-in wardrobes, and supplied by tidy bathroom adjacent. The core living, dining and kitchen spaces are particularly spacious and sit central to the home, encouraging frequent family interaction and kept climate-controlled through air conditioning. The corner kitchen is well-appointed with stylish black stone-top benches, gas cooking and a 900mm cooktop and oven, and a plumbed fridge. The kitchen also serves quite easily to the patio entertaining area just beyond, centred around its impressive 6/8-seat spa that promises excellent late-afternoon spa-heated get-togethers.
