This immaculate family home have been recently renovated and has great presentation. The home offers four bedrooms, master with en-suite bathroom and walk-in robe, the other three bedrooms have built-in robes and are serviced by a central bathroom. The central kitchen is spacious and has a gas cooktop and an electric oven and plenty of pantry space and room for all of your kitchen essentials. And the adjoining dining area has plenty of room for a family dining table. The home offers a formal lounge and a rumpus or second living area which steps out to a huge undercover alfresco area, great for the entertainer. Other features include side access with a storage area for a boat/caravan/trailer, shed double garage with rear rollerdoor, ducted gas-heating and cooling. The block is level and has plenty for the kids to play and for your pets to run as well. The house is only a few minutes drive to the local schools, shops, medical centres and all the other town facilities. Wallan is one of the most popular areas in the northern corridor due to its established infrastructure, country feel and the great access to Melbourne CBD via the V/Line train or the Hume Freeway.
