The photos say it all. Available now, this is a unique opportunity to lease a furnished property for 6 months only. This is a must view property and will delight all that view so be quick. The comfortable, older style family home has been improved over the years and has a functional layout and design, with living and entertaining areas that maximize the idyllic north-eastern aspect. Accommodation comprises five good sized bedrooms and three bathrooms. Being directly opposite Santa Maria college and right by the very edge of the Swan River and all of the recreational amenities it offers. Please register your interest online to be notified of upcoming inspections, or contact Deb at Salt Property for more information.
