Discover the epitome of modern living in this Metricon-built masterpiece, boasting less than 2 years of architectural refinement. As you step inside, be captivated by the spacious open plan living area, adorned with sleek wooden floorboards that lend warmth and character to the entire space. Natural light cascades through the double-sized sliding doors, seamlessly blending indoor and outdoor living. Enhanced by double-glazed windows, the home exudes energy efficiency while maintaining a bright and inviting atmosphere throughout. The heart of this residence is a gourmet kitchen, featuring a 900ml gas cooktop and oven, catering to culinary enthusiasts. The expansive island bench not only serves as a focal point but also provides practicality, creating a hub for family gatherings and entertaining guests. Indulge in year-round comfort with ducted heating and cooling, ensuring a pleasant ambiance in every season. The master bedroom, a private retreat, boasts an ensuite bathroom, offering a sanctuary for relaxation. This home is equipped with a 5.5-kilowatt solar system, providing both environmental sustainability and cost savings. Additionally, a robust security system is seamlessly integrated, offering peace of mind and safeguarding your property. The property extends its convenience with an oversized garage, accommodating two vehicles and additional storage. Brilliant side access enhances flexibility, providing options for additional parking or recreational vehicle storage. With access through the garage, moving items in and out becomes a seamless task, adding an extra layer of practicality to daily living. Ideally located in Huntly, this residence offers easy access to local amenities, schools, and parks, making it a desirable haven for families and professionals alike. Don't miss the chance to make 3 Streeton Avenue your home—a perfect blend of modern sophistication and convenient living, complete with eco-friendly features and advanced security.
