From the moment you walk through the front door of this house, you immediately feel like you are home. This property has had some improvements, the biggest of which is the new kitchen complete with stone benchtops, plenty of cupboard space and stainless-steel appliances including dishwasher. All 4 bedrooms are at least double bed size, all have built-in robes and ceiling fans. The main bedroom is very spacious with walk-in robe and generous size ensuite plus the comfort of air-conditioning. There is a formal lounge at the front of the home and open plan kitchen, dining and family at the rear of the home. This space is where you access outside to the covered entertainment area and the fully fenced backyard. There are 22 solar panels in place, a 5kw inverter and the added bonus of not 1 but 2 storage batteries for your future stress-free power bills. Immaculately presented inside and out, there is literally nothing you need to do here other than unpack your belongings. Located within 7.5km to the Ipswich CBD, Costco is 4.3km, the Bremer TAFE College a quick few minutes' drive up the road and a selection of local schools and shopping centers within easy reach. **DISCLAIMER:** First National Action Realty has taken all reasonable steps to ensure that the information contained in this advertisement is true and correct but accept no responsibility and disclaim all liability in respect to any errors, omissions, inaccuracies or misstatements contained.
