\$325,000

Discover a beautifully renovated family home nestled in the heart of Rupanyup, where tranquility meets contemporary living. This charming four-bedroom house, boasts ample natural light and offers an inviting retreat for families seeking both comfort and style. The master bedroom features a walk-in robe, ceiling fan and its own split system for personal comfort. The remaining 3 bedrooms are of good size, have polished floors and are situated adjacent the updated modern bathroom. The kitchen has had its own updates and has a large 6 burner gas cooktop, tons of storage and overlooks the dining and living rooms ensuring this will be the hub of the home. With the convenience of 2 split system heating and cooling units in the open plan living area providing year-round comfort, whilst the cosy woodfire sets the scene for memorable family gatherings on cooler evenings. Situated on a generous 833-square-metre block, this home features a spacious outdoor space for children's play and family activities. With the added convenience of off-street parking, this residence is located just a stone's throw away from local schools, emphasising its appeal to family living. Embrace a lifestyle of ease and accessibility in this quiet neighborhood, where every detail has been catered to with the family in mind.
