The fabulous East Toowoomba position combined with the originality and integrity of this charming 1950's home make it an absolute gem. With higher ceilings, large kitchen and sunny lounge room. Outside you'll find a private rear garden with a covered patio and an attached workshop. So convenient to St Vincent's Hospital, local cafe's and premier schools. Such a rare opportunity in this location! - Solid construction, very well maintained - Residential conservation zoning - Quiet neighbourhood - So much potential to add value
