Beautifully merging classic comforts with contemporary revamp, this immaculate home of sun-drenched proportions presents lush garden surrounds and a superb cosmopolitan address only a short distance from Frankston Foreshore and Bayside Shopping Centre. Renovated interiors are immediately impressive thanks to a crisp white colour palette and solid timber floors, opening across a versatile floorplan that interplays with the landscaped gardens while offering privacy and young family appeal. With distinct living and dining zones, the home draws entertaining beyond a statement kitchen where double doors unite with a rear covered alfresco. Stone benchtops, premium appliances and a wealth of preparation space enhances kitchen practicalities, while an open layout ensures conversation flows across the zones. Quality craftsmanship continues throughout the remainder of the home, with a dual-vanity main bathroom with full-height tiling and stone-topped vanity serving both family and guests. Three bedrooms offer peaceful retreat, with climate control stabilised by gas ducted heating and split-system air conditioning (dining domain only). True low-maintenance gardens enhance a secure rear yard where a double garage with three-phase power anchors a rear-reaching driveway, welcoming ample off-street parking. Perfect for young families, professional couples or the astute investor, this FHSZ address delivers a relaxed living experience only moments from some of Frankston's most cherished landmarks.
