Classic charm and modern indulgence combine to deliver a captivating family home offering an active lifestyle only a short stroll from the thriving Chapel Street precinct. Exuding the appeal from the Victorian era, yet stylishly renovated throughout, you're greeted by a contemporary colour scheme with stylish floorboards, stunning high ceilings, and a traditional wide arched hallway. Two generous bedrooms feature open fireplaces and built-in robes, the main flaunting a fully tiled ensuite, while the family bathroom sits conveniently alongside servicing the second bedroom. Bright and inviting, the living zone boasts a sleek modern kitchen with premium appliances and ample storage, while floor-to-ceiling sliding doors reveal a serene and spacious courtyard, a private oasis for relaxation. Adding further appeal, split system heating and cooling, Euro laundry, and an exceptional position just steps from public transport, Prahran Market, Windsor Siding, and nightlife on Chapel.
