Nestled in a quiet pocket of Highton, this home beckons with its thoughtful design, luminous interiors, and an outdoor sanctuary perfect for hosting gatherings. Seamlessly blending indoor and outdoor living, it's a haven where every moment feels effortlessly enjoyable. Step into a world of light and space as you enter the expansive, sunlit undercover outdoor area. Adorned with a charming fernery, it's an oasis of greenery where relaxation comes naturally. Inside, the open-plan living and meals area exude comfort, with air conditioning and a gas log fire for year-round coziness. The modern kitchen, complete with a generous island bench, 600mm oven and gas cooktop, is a culinary haven for any home chef. Retreat to the separate living room adorned with plantation shutters, or unwind in the upstairs master bedroom with its walk-in robe and ensuite. With two additional bedrooms boasting built-in robes and picturesque views, there's ample space for family or guests. A well-appointed bathroom sits on the upper level, featuring a shower, bath, and separate toilet for added convenience. Convenience meets comfort with a laundry and powder room downstairs, offering direct access to the external clothesline. A remote-controlled double garage provides secure parking, while low-maintenance gardens ensure leisure time is spent enjoying your surroundings, not tending to them. Additional storage underneath the staircase and a garden shed at the rear of the property cater to practical needs with ease. Located within reach of local shops, schools, and amenities, and just a short drive to both Geelong CBD and the scenic Surf Coast, this is more than a home—it's a lifestyle waiting to be embraced.
