Private Sale A regal family residence, exquisitely renovated and gently cast in a peaceful, Toorak streetscape, this five bedroom home presents a tasteful synthesis of its original Tudor-influenced character and a more contemporary alfresco flow. Peacefully cast in one of Toorak's most exclusive neighbourhoods, the home is ideal for the most discerning of urban families. Steeped in tradition, the home culminates in a modern, open and airy kitchen / meals / living that has been timelessly appointed with stone benches and SMEG appliances, to complement seamless connection to a paved outdoor entertaining and a sun-drenched in-ground swimming pool. Meanwhile, a generous dining room and a semi-attached lounge are warmed by an ambient fireplace as they pay homage to a more traditional style of living, whilst upstairs and open living area can work as a teen retreat. The main bedroom features an impressive wall of built-in robes storage and a fully-tiled ensuite with a heated towel rail, plus there are built-in robes in the remaining bedrooms. Set in superbly landscaped formal gardens, the home also features a double garage, another two modern bathrooms, a laundry, ducted heating and split system air conditioning. Merely moments from Toorak Road, its city-bound trams and Toorak Village, as well as easy city access via either Heyington or Kooyong Railway station and the ability to walk to both St Catherines and St Kevins College. No Heritage Overlay, 706sqm (approx.). Please call to arrange a private inspection.
